

Postcard Greetings

The Grand National Quilt Show is on the move. 2009 was a year of transition and the Joseph Schneider Haus hosted a smaller Grand National Quilt Show featuring fabulous postcard quilt art. Quilters were invited to send along special postcards to wish their favourite quilt show good luck with creative, quilted greetings in fabric. A viewer's choice sponsored by Janome Canada was awarded to Jill Buckley for her postcard depicting the Joseph Schneider Haus. Jill's postcard is also among the 12 entries (our *Terrific Twelve*) that were chosen to be included in a printed postcard booklet.
